Our Company

The Bank of New York Mellon builds on the tradition of outperformance in global financial services established by its predecessor companies, The Bank of New York and Mellon Financial Corporation.

We are a global financial services company focused on helping clients manage and service their financial assets, operating in 34 countries and serving more than 100 markets. A leading provider of financial services for institutions, corporations and high-net-worth individuals, we provide superior asset management and wealth management, asset servicing, issuer services, clearing services and treasury services through a worldwide client-focused team.

Our Businesses

- **Asset Management**
A leading global provider of investment management products and services.
- **Asset Servicing**
Helping clients worldwide enhance the management, administration and oversight of their investment process
- **Wealth Management**
Intensely focused on meeting each client's distinct needs through investment management, wealth and estate planning, private banking, asset servicing and information management
- **Issuer Services**
Offering the industry's leading suite of comprehensive corporate trust, depository receipt and shareowner services
- **Clearing Services**
An industry-leading provider of operational support, trading services, investment solutions and practice management for financial institutions and independent registered investment advisors
- **Treasury Services**
