

Board of Governors of the Federal Reserve System

Consolidated Financial Statements for Bank Holding Companies - FR Y-9C

Report at the close of business as of the last calendar day of the quarter

This Report is required by law: Section 5(c) of the Bank Holding Company Act (12 U.S.C. 1844) and Section 225.5(b) of Regulation Y [12 CFR 225.5(b)].

This report form is to be filed by bank holding companies with total consolidated assets of \$500 million or more. In addition, bank holding companies meeting certain criteria must file this report (FR Y-9C) regardless of size. See page 1 of the general instructions for further information.

However, when such bank holding companies own or control, or are owned or controlled by, other bank holding companies, only the top-tier holding company must file this report for the consolidated holding company organization. The Federal Reserve may not conduct or sponsor, and an organization (or a person) is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

NOTE: Each bank holding company's board of directors and senior management are responsible for establishing and maintaining an effective system of internal control, including controls over the Consolidated Financial Statements for Bank Holding Companies. The Consolidated Financial Statements for Bank Holding Companies are to be prepared in accordance with instructions provided by the Federal Reserve System. The Consolidated Financial Statements for Bank Holding Companies must be signed and attested by the Chief Financial Officer (CFO) of the reporting bank holding company (or by the individual performing this equivalent function).

I, the undersigned CFO (or equivalent) of the named bank holding company, attest that the Consolidated Financial Statements for Bank Holding Companies (including the supporting schedules) for this report date have been prepared in conformance with the instructions issued by the Federal Reserve System and are true and correct to the best of my knowledge and belief.

Notes to the Income Statement-Other

Enter in the lines provided below any additional information on specific line items on the income statement or to its schedules that the bank holding company wishes to explain, that has been separately disclosed in the bank holding company's quarterly reports to its shareholders, in its press releases, or on its quarterly reports to the Securities and Exchange Commission (SEC). Exclude any transactions that have been separately disclosed under the reporting requirements specified in memoranda items 6 through 8 to Schedule HI, the Consolidated Income Statement.

Also include any transactions which previously would have appeared as footnotes to Schedules HI through HI-B.

Each additional piece of information disclosed should include the appropriate reference to schedule and item number, as well as a description of the additional information and the dollar amount (in thousands of dollars) associated with that disclosure.

Example

A bank holding company has received \$1.35 million of back interest on loans and leases that are currently in nonaccrual status. The holding company's interest income for the quarter shows that increase which has been disclosed in the report to the stockholders and to the SEC. Enter on the line item below the following information:

Schedule HC-R - Continued

Bank holding companies are not required to risk-weight each on-balance sheet asset and the credit equivalent amount of each off-balance sheet item that qualifies for a risk weight of less than 100 percent (50 percent for derivatives) at its lower risk weight. When completing items 34 through 54 of Schedule HC-R, each bank holding company should decide for itself how detailed a risk-weight analysis it wishes to perform. In other words, a bank holding company can choose from among its assets and off-balance sheet items that have a risk weight of less than 100 percent which ones to risk-weight at an appropriate lower risk weight, or it can simply risk-weight some or all of these items at a 100 percent risk weight (50 percent of derivatives).

Notes to the Balance Sheet-Other

Enter in the lines provided below any additional information on specific line items on the balance sheet or its supporting schedules that the bank holding company wishes to explain, that has been separately disclosed in the bank holding company's quarterly reports to its shareholders, in its press releases, or on its quarterly reports to the Securities and Exchange Commission (SEC). Also include any transactions which previously would have appeared as footnotes to Schedules HC through HC-S.

Each additional piece of information disclosed should include the appropriate reference to schedule and item number, as well as a description of the additional information and the dollar amount (in thousands of dollars) associated with that disclosure.

Example

A bank holding company has guaranteed a new loan for its leveraged Employee Stock Ownership Plan (ESOP) for \$750 thousand and that amount has increased the bank holding company's long-term unsecured debt by a material amount. The bank holding company has disclosed that change to its stockholders and to the SEC.
