

## THE BANK OF NEW YORK MELLON CORPORATION

### Financial Trends

#### Notes:

On July 1, 2007, The Bank of New York Company, Inc. ("The Bank of New York") and Mellon Financial Corporation ("Mellon") merged with and into The Bank of New York Mellon Corporation ("The Bank of New York Mellon" or "BNY Mellon"), with BNY Mellon being the surviving entity ("the merger").

The results prior to the consummation of the merger reflect the sum of The Bank of New York and Mellon's historical results, but do not include the pro forma impact of purchase accounting adjustments. Combined results for the periods prior to the merger (2006, 1Q07, 2Q07) are presented on a pre-tax basis only. Average common equity and average goodwill/intangibles are not disclosed for the periods prior to the merger due to the impact of the merger on these line items. The business segment results are presented on a pre-tax basis for all periods and reflect actions taken to report consistent transfer pricing and cost allocation methodologies as well as intercompany eliminations between The Bank of New York and Mellon.

Summations may not equal due to rounding. As a result of this rounding convention, immaterial differences may exist between the segment trends data versus the segment trends data filed on Form 10-Q.

#### The following transactions/changes have impacted the reporting of our results:

On June 30, 2009, we adopted discontinued operations accounting for Mellon United National Bank (MUNB) located in Miami, Florida. Previously, the financial results were included in the Other segment. Only the financial results for all periods of 2007, 2008 and 2009 have been restated.

On January 1, 2009, we adopted FAS 160, which resulted in a reclassification of minority interest to equity from other liabilities on the balance sheet and to noncontrolling interest from other expense on the income statement.

During the first quarter of 2009, we moved the financial results of the Execution business from the Clearing Services segment to the Other segment. Historical segment results have been restated to reflect these changes.

On June 3, 2008, we completed the sale of Mellon 1st Business Bank, National Association (N.A.). We moved the financial results from the Wealth Management segment to the Other segment. Historical segment results have been restated to reflect these changes.

On December 20, 2007, we acquired the remaining 50% interest in the ABN AMRO Mellon joint venture. The financial results are included in the Asset Servicing segment.

On October 1, 2006, The Bank of New York acquired the JPMorgan Chase Corporate Trust business in exchange for our retail and regional middle market banking businesses. Results of the Corporate Trust business are included in the Issuer Services segment.
