Great Place to Work Institute India recognizes BNY Mellon and iNautix® Technologies among the 'Best Workplaces in India'

CHENNAI and PUNE, 21 June 2010, - BNY Mellon and iNautix® Technologies India Private Limited, an affiliate of Pershing LLC and BNY Mellon, announced today that they have been selected by The Great Place to Work® Institute India, in partnership with The Economic Times, as two of India's Best Companies to Work For in 2010.

Great Place to Work® Institute is a pioneer in studying and recognizing best workplaces around the world. For over 20 years, and in 40 countries, The Great Place to Work® Institute has been conducting studies to identify and understand the Best Workplaces among the great places to work. The 2010 study is the seventh study in India, and the third year when The Great Place to Work® Institute is conducting the study as an independent entity. More than 400 companies registered to participate in the study making it the largest such study in India. Only 50 made it to the 'Best Companies to Work For' list, making it one of the toughest contests of this kind globally.

"This honor is based on the opinions of people who are in the best position to judge—our employees," said Jim McEleney, chief executive officer of BNY Mellon's Pune operations. "Pune is one of our global growth centers and now employs over 2,200 professionals. It is our exceptional team here that delivers the high quality service we are known for, so it is good to know that they value the culture here and the programs we have put in place to make this a great place to work."

"We are tremendously proud to be included in The Great Place to Work India's Top 25 'Best Companies to Work For' ranking for the second consecutive year," said Suresh Kumar, chief executive officer of iNautix® Technologies India. "Providing our people with a workplace environment that fosters individual development and organizational growth is a critical component of our firm's culture that will continue to help shape our company's and our customers' long-term success."
