

BNY MELLON: INVESTED

We are the investments company for the world and an engine for the global financial markets.

We safeguard over \$31 trillion dollars. We manage \$1.8 trillion dollars for investors. And we process more than one trillion dollars of transactions every day.

Huge numbers. And a huge responsibility.

We have an extraordinary client base that includes the world's largest financial institutions, investment managers, countries, corporations of all kinds, foundations, universities, and individual investors of all sizes.

Clients trust us with their financial assets because they know we are one of the safest financial institutions in the world. They rely on us for the investments solutions and technology that connect them to opportunities in 100 markets across 35 countries.

And through that work, we help investors pursue their personal goals and financial dreams.

For 230 years, our extraordinary people have driven change in the financial markets.

And our expertise in all phases of investing has helped our clients find opportunities for growth and progress around the world.

We power global investments – and that is making a difference for investors worldwide.
