Maximizing Returns and Creating Value**

Investments Company for the World

Twin Engines of Growth

- Investment Services
- Investment Management

- Largest investment services provider
- Leading market positions in every servicing business
- Leading global custodian with \$28.3T in AUC/A
- \$1.65T in AUM – sixth largest global asset manager; one of three largest asset managers owned by the eight U.S. G-SIB peers

Revenue

- Fee revenue – 83% of total revenue
- Growth with minimal credit risk or need for incremental capital

Expense

- Staffing, real estate footprint, technology, procurement and corporate services

Capital

- Estimated fully phased-in Basel III Common Equity Tier 1 Ratio of 10%¹
- Credit ratings ranked among highest in G-SIB peer group
- 2013 total payout ratio of 83% – top quartile versus CCAR Banks

Earnings

- Investing in organic growth
- Aggressively managing costs
- Poised to benefit as markets return to normalized conditions

¹ Fully phased-in Advanced Approach at September 30, 2014. This represents a non-GAAP measure. See Appendix for reconciliation. Additional disclosure regarding non-GAAP measures is available in the Corporation's reports filed with the SEC, available at www.bnymellon.com/investorrelations.

Leveraging Investment Management + Investment Services Combination

Realizing Opportunities

Leveraging broad and deep client relationships	Utilizing cross-platform capabilities	Balance sheet – seed capital for our funds; providing trust, safety and strength	Capitalizing on intellectual assets – deep insight into the changing needs of asset owners and fiduciaries
------------------------------------------------	---------------------------------------	----------------------------------------------------------------------------------	------------------------------------------------------------------------------------------------------------

Benchmarking Our Historical Performance

	2011 Investor Day Targets	2011-2013 CAGR		Factors
Total Revenue ¹	3 – 5%	2%	▶	- Higher equity markets
Fee Revenue ²	3 – 5%	2%		- Higher money market fee waivers - Lower Issuer Services - Lower volatility
Net Interest Revenue	1 – 3%	—		- Lower rates, partially offset by higher deposits
Expense ³	2 – 3%	4%	▶	- Revenue mix - Increased regulatory costs
Return on Equity	10%	8.3% ⁴		- Lower earnings - Increased capital requirements - Tangible capital, +25% 2013 vs. 2011

NOTE: With the exception of Net Interest Revenue, measures are non-GAAP. See Appendix for reconciliations.

1 Total revenue adjusted for sale of Shareowner Services business, the gain and loss related to an equity investment and net income attributable to noncontrolling interest related to consolidated investment management funds.

2 Fee revenue adjusted for sale of Shareowner Services business, the gain and loss related to an equity investment.

3 Expenses adjusted for sale of Shareowner Services business, amortization of intangible assets, M&I, litigation and restructuring charges and the charge (recovery) related to investment management funds, net of incentives.

4 Represents Return on Equity for 2013.

Strong Capital Generation

Strong Capital Return

¹ Information regarding our peers' payout ratios is derived from their public filings; Net Income is based on IBES estimates as of 3/26/14.

Driving Efficiency and Creating Value

Continuous Process Improvement

Realigned organization in June 2014

Rationalizing staffing to drive operating and cost efficiency

- Greater than \$100MM expected in annual run-rate savings by 2015

Reducing real estate footprint – sale of One Wall Street results in a reduction of 750,000 square feet

Consolidating operating platforms

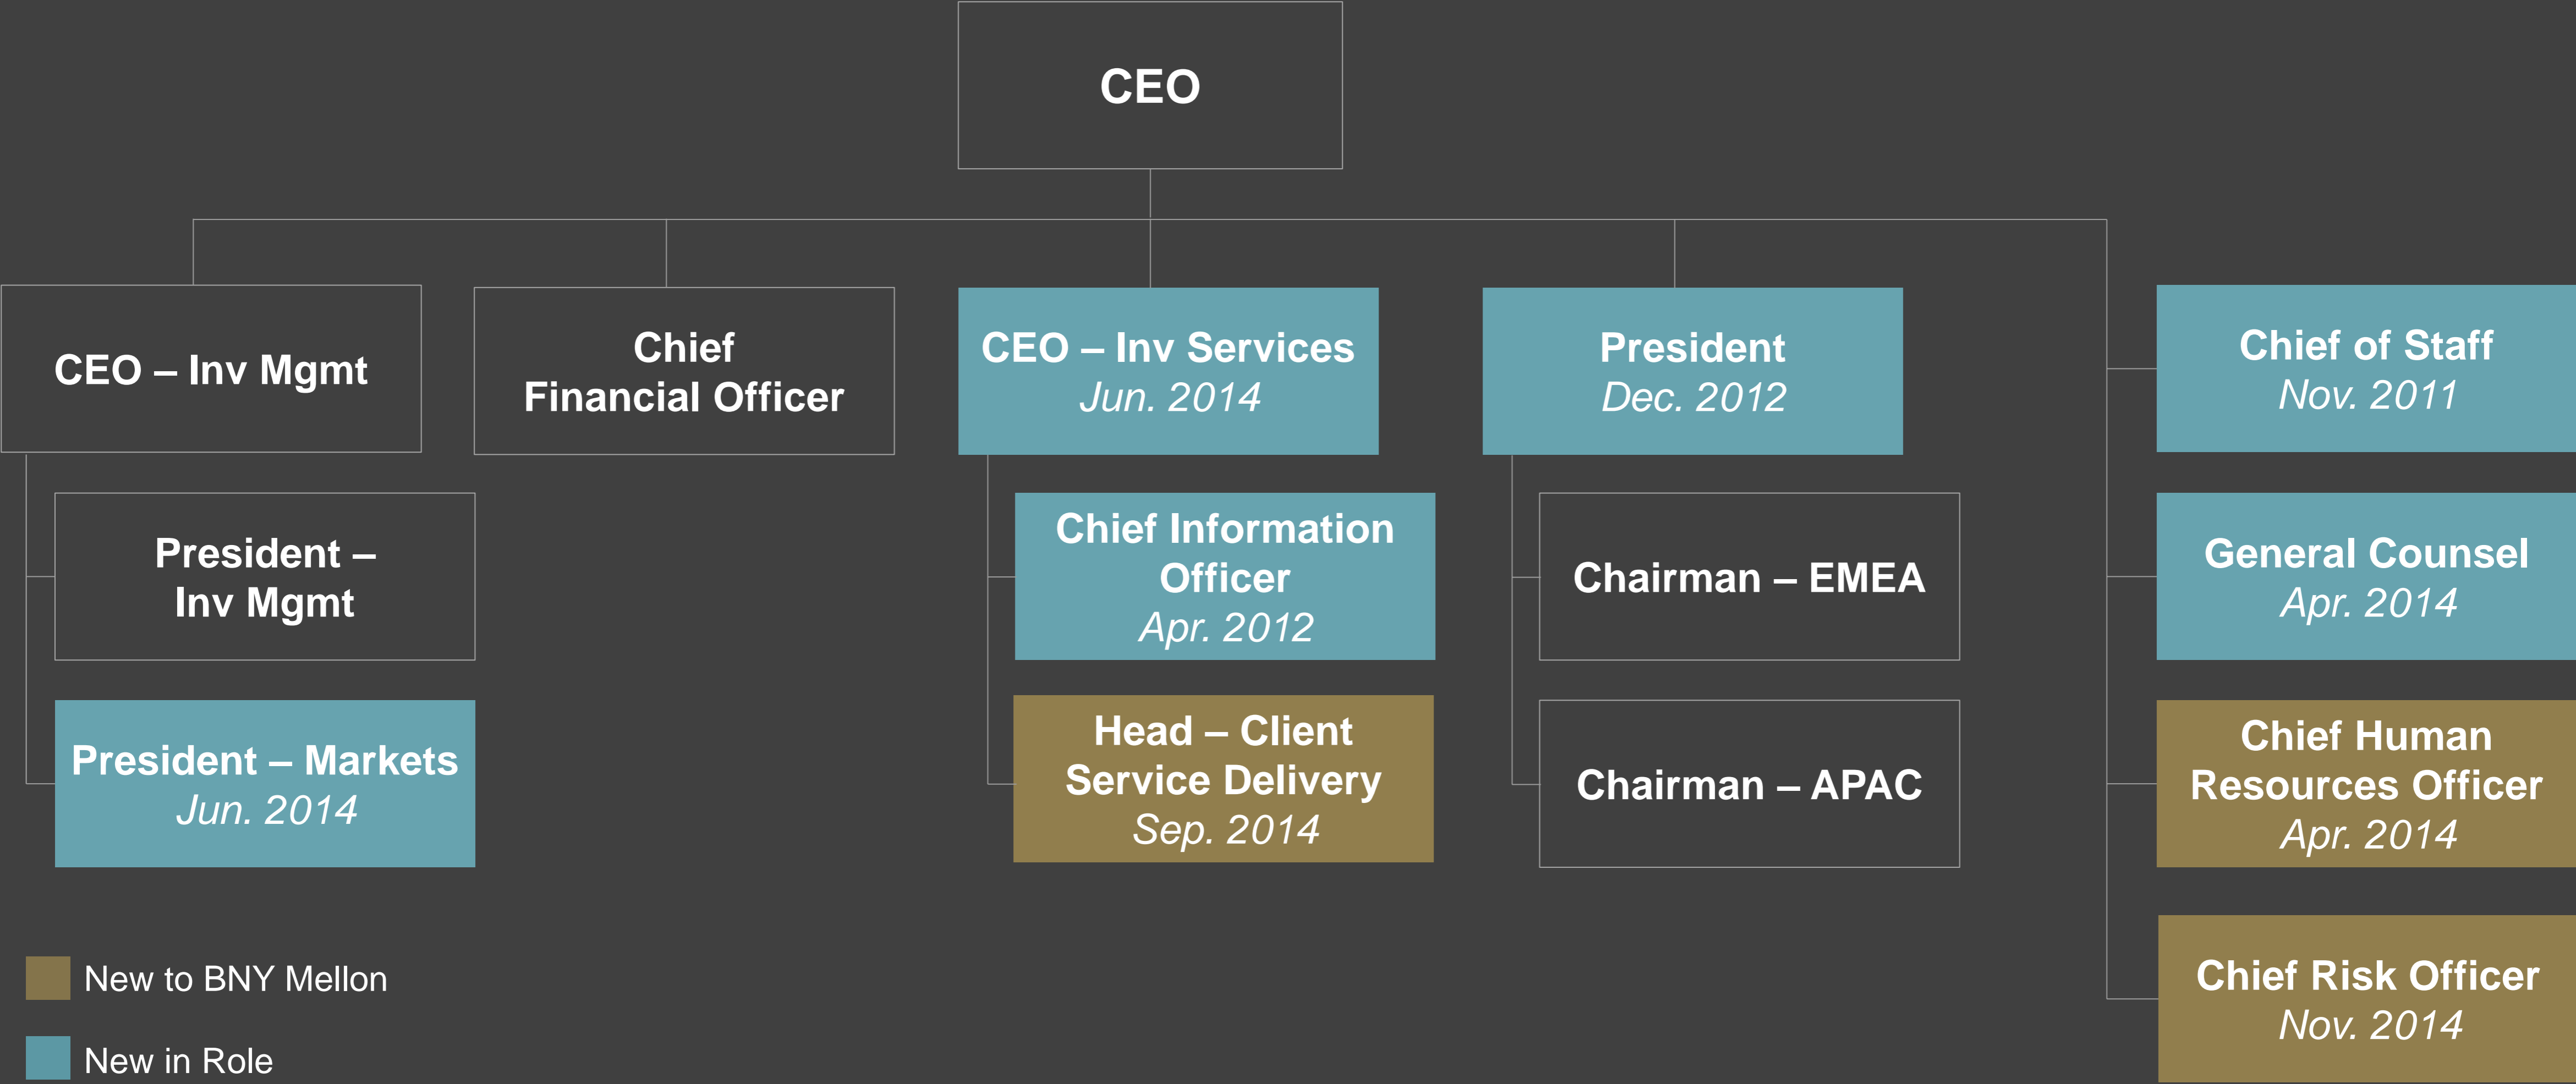

Increasing return on technology spend

Focusing on discretionary expenses

Optimizing business mix:

- Sold or exited several non-strategic or lower margin businesses
- Conducted extensive review of possible Corporate Trust divestiture
- Sold 20% equity investment in Wing Hang Bank
- Investing in new growth opportunities

Substantial Changes to Our Management Team

Investing in Revenue Growth Opportunities

**Leveraging
Investment Services Scale**

**Electronic
Trading Platforms**

**Global Collateral
Services**

**Separately Managed
Accounts Platform**

**Investment Management
Distribution**

**APAC
Strategy**

Improving Financial Performance – Continued Fee Growth

Investment Management

AUM, +7%
 \$23B of net long-term AUM inflows
 Early impact of growth initiatives
 Higher market values

Investment Services

Higher core Asset Servicing, Clearing Services and Treasury Services fees:
 Continued new AUC/A wins
 Growth in Global Collateral Services
 Increase in long-term mutual fund assets and clearing accounts
 Higher payment volumes

NOTE: AUM growth 9/30/14 vs. 9/30/13; AUM inflows aggregates net long-term flows over the last twelve months (LTM) through 9/30/14.

Improving Financial Performance – Continued Expense Control

- Rationalizing staffing levels
- Lower pension expense
- Simplifying and automating global processes
- Insourcing application development
- Leveraging common architecture
- Consolidating offices and reducing real estate portfolio
- Controlling discretionary expenses
- Ongoing pressure from regulatory costs

NOTE: Total noninterest expense is non-GAAP and excludes amortization of intangible assets, M&I, litigation and restructuring charges and the charge (recovery) related to investment management funds, net of incentives. See Appendix for reconciliations. Additional disclosure regarding non-GAAP measures is available in the Corporation's reports filed with the SEC, available at www.bnymellon.com/investorrelations.

Improving Financial Performance – Operating Margin Expansion

¹ Represents a non-GAAP measure. See Appendix for reconciliation. Additional disclosure regarding non-GAAP measures is available in the Corporation’s reports filed with the SEC, available at www.bnymellon.com/investorrelations.

Generating Strong Shareholder Returns

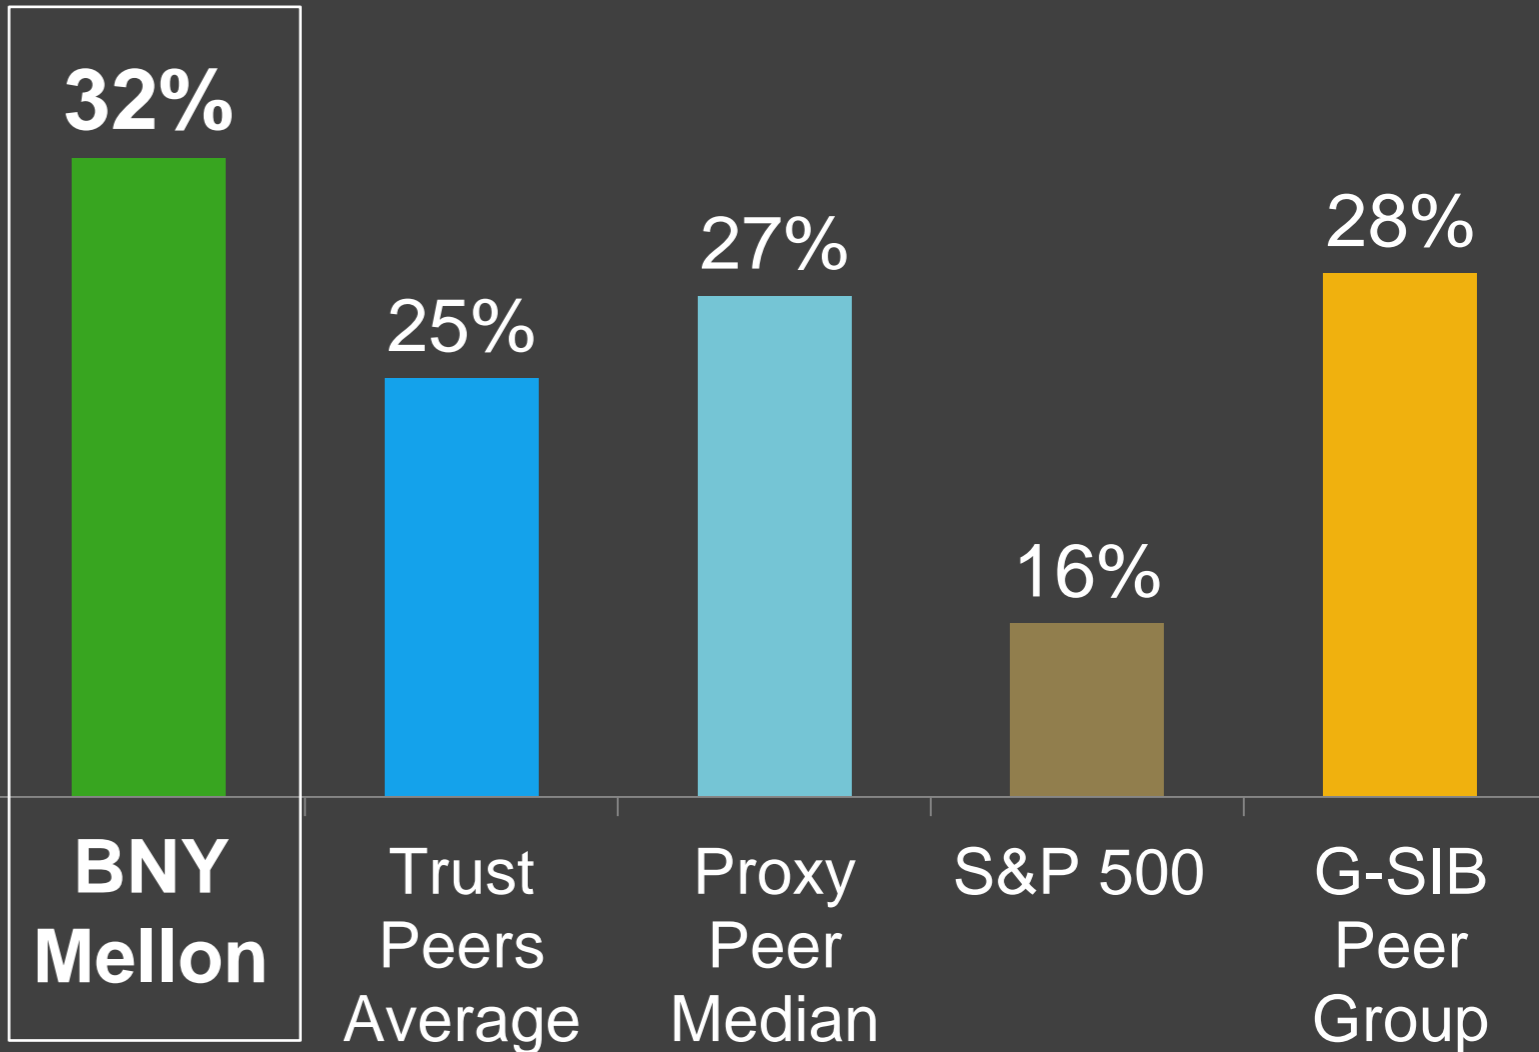

YTD – 9/30/2014
