

For all the streets made safe.
For all the parks kept clean.
For all the lights kept on.
For all the fires put out.
For all the potholes fixed.
For all the roadways plowed.
For all the youth inspired.
For all the homeless sheltered.
For all the new things built.
For all the walls torn down.
For all the races run.
For all the banners won.

For all you did.
For Boston.

Thank you, Mr. Mayor.
