

THE BANK OF NEW YORK MELLON TAIPEI BRANCH

INTERNAL CONTROL SYSTEM STATEMENT

("STATEMENT")

By representing Bank of New York Mellon, Taipei Branch, the Bank hereby states that from January 1st, 2010 to December 31st, 2010, the Bank has duly complied with the "Enforcement Regulations for Bank Internal Audit Control Systems" in establishing its internal control system, implementing risk management, designating an independent and objective department to conduct audits, and regularly reporting to the board of directors (board of managers) and the supervisor. After prudent evaluation, the internal control and legal compliance systems of each department have been in effect during the year.
