

BRING YOUR IDEAS. MAKE HISTORY. | BNY MELLON

Employee Spotlight: Marcela Alvarez

Since joining BNY Mellon, I have been able to develop my leadership skills. They have been investing in me since I was a high school student.

I was hired through an internship program at 17 years old and thanks to BNY Mellon, I was able to obtain an economics degree from Pace University through their tuition reimbursement program.

Since then, BNY Mellon has offered me many opportunities and resources like the McKinsey Management Accelerator Program.

This opportunity showed me how much BNY Mellon continues to care about my professional role and shows their commitment to diversity and inclusion.
