

BRING YOUR IDEAS. MAKE HISTORY. | BNY MELLON

Employee Spotlight: Ashli White

One of my favorite aspects of working at BNY Mellon is the investment into the professional development of their employees.

Since joining the bank seven years ago, I've been able to participate in six formal mentor programs in addition to areas in formal mentor relationships, sponsors.

I've been able to identify, various workshops that were offered within the organization, as well as being able to obtain my master's degree and various professional certifications.

At BNY Mellon, to truly understand that excellence starts and ends with the knowledge, skill and development of their talent.
