Letisha Gary

Vice President, Issuer Services Risk

"I do appreciate that we even have a flexible work model. You know, I know that some of my peers in the financial industry don't.

I do appreciate that we're still able to have balance by being able to work from home.

The flexible work arrangement has enabled me to, you know, choose when I work without the worry of whether me needing that flexibility is going to affect my ability to do my job.

BNY Mellon cares about the entire person, and that's reflected in, you know, their generous benefits packages that cater to the entire person and the flexible work arrangements that I take advantage of."
