

Our Impact

Promote a strong risk culture, with

96% of employees

aware of risks relevant to their work

Built a culture of lifelong learning by delivering nearly

1 million learning hours

to employees annually

Provide

\$42 million

in annual support to our communities around the world, and our employees volunteer 143,000 hours

Manage

\$69.3 billion

in assets according to ESG and values – based exclusionary screens

Added

3 women to our Board of Directors

in 2016, and advance women in our workforce, with 42 percent representation in our global workforce and 36 percent at the vice-president level

0 net carbon emissions

achieved through emissions reduction, renewable energy credits and carbon offsets
