

BNY MELLON PEOPLE REPORT 2016 - TRUST

Mohan Narayanaswamy, Chief Operating Officer - Chennai, BNY Mellon
April 2016

We are the investments company for the world.

BNY Mellon has not just endured but thrived for over 230 years, through good times and bad times.

I'm proud to say, that post the Chennai floods, we made a very, very quick recovery with minimal business impact and assisted our operations team in India.

Trust is more than a word for us, it's a promise.

The inspiring legacy of BNY Mellon provides such a strong foundation, a bedrock on which it is easy to build our strengths.

Our executive leadership's approach and tone at the top clearly indicate that our risk culture places a high premium on reliability and transparency.

Building trust in our employees is a continuous process.

We care, we hear, and we act.
